# Agency Overview

The Arizona Department of Veterans' Services (ADVS) is a state agency that serves and provides advocacy to service members, Veterans and their families.

**Our Mission:** To be the catalyst in response to the evolving needs of Arizona's Veterans, service members and their families.

**Our Vision:** Arizona Veterans, service members and their families will have no barriers to the benefits and services they have earned.

Veterans make up 10.8% of our population, ranking Arizona among the top 15 states with the highest concentration of Veterans. We have approximately 20,000 active duty service members, five military installations and approximately 16,000 National Guard and Reserve members.

Our agency is made up of multiple divisions, including the Arizona State Veteran Homes, and the Veterans Services, Public and Intergovernmental Affairs and Administration Divisions.

We provide direct services to Veterans, including helping Veterans connect with their state and federal benefits, operating three State Veterans' Memorial Cemeteries located in Sierra Vista, Camp Navajo and Marana, as well as managing skilled-nursing facilities serving the short and long-term care needs of residents.
